Sub: Submission of Registration cum facilitation fee for 200 MW Solar Power Project at Dhar

Ref.: 1. F/NRED/2024-25/SOR-912/5080 dated: 06.03.2025

Sir,

SECI had received in-principle approval for the registration of the 200 MW Solar Power project at Village Gadhi, Nawapada and Rajod, Tehsil Badnawar, Sardarpur and Rajod, District- Dhar, Madhya Pradesh, as per the letter under reference.

In line with this approval, we have deposited necessary Registration cum Facilitation Fee as per details below:

Sr. No.	Date of transaction	Payee detail	Transaction reference no	Amount
1	11.09.2025	Dept of Finance, MP (Through challan no. MPTURN100920250001 908)	HDFCN52025091167 593227	Rs. 1,00,00,000 (In words: Rupees one crore)
2	11.09.2025	MPUVNL	HDFCR52025091159 807889	Rs. 1,18,00,000 (In words: Rupees One crore Eighteen lakh)

Although the demand was received on 06.03.2025, the registration could not be done immediately since land allocation to NRED was pending. Considering that land is now allocated, we want to proceed with the project registration and take further necessary action to execute the LUPA for taking over the land parcels from NRED.

We have concluded tendering for EPC contractor selection for this project and once these formalities, including land hand-over to us by NRED, are completed we will seek our Board's approval for award of LoA to the selected EPC contractor. We are working expeditiously to start site execution and seek your support to achieve the targets within the stipulated timeline.

Request you to kindly acknowledge the fee payment upon receipt.

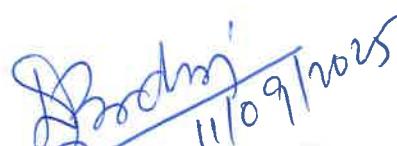

Thanking you for your continued support,
Sincerely,
