It is pertinent to mention that NDMC have provided its consent on 13.06.2025 to off – take 50 MW Hybrid (Solar – Wind – BESS) RE Power. In response, SECI already shared its acknowledgement & sought the date for signing of Power Purchase Agreement (PPA).

SECI have already started the phase – wise investment based on your consent letter as mentioned below:

1. Finalization of Land in the state of Andhra Pradesh (Land cost & Registration)
2. In – principle grant of connectivity (BG submission by SECI to CTUIL)
3. Engagement of NIWE for micro siting of Wind Turbine Generator

5. Detailed Project Report (DPR) preparation

Any delay in finalization and execution of the PPA will directly impact the project development activities, including implementation timelines, regulatory compliances, and associated approvals.

Therefore, it is requested to confirm the date for signing of PPA at the earliest and it is also requested to schedule the meeting in next week.

Thanking You,
