No. SECI/MD/PS/2025/ 78129

05 December, 2025

Dear Sir,

SECI is working on a plan to supply 50 MW of RE-RTC (Consisting of Solar Wind & Storage Component, Load following mode) power to NDMC. SECI has applied for land in the state of Andhra Pradesh which has been allocated by Govt. of Andhra Pradesh on fast track, connectivity also has been applied and granted by CTU. Further, by mutual discussions with NDMC RE-RTC capacities have been finalized based on which PPA was drafted, discussed approved and concluded, which is under approval at NDMC and all necessary clarifications in the course of approval have also been provided to NDMC.

Now, SECI is ready to the issuance of the NITs for all the components of this RE-RTC project. It is therefore, requested that the PPA may be signed by both SECI and NDMC at the earliest, to move forward on the project activities.

with regards

Yours sincerely,

(Akash Tripathi)

To

Shri Keshav Chandra, IAS

Chairman
